

POST OFFICE ON WHEELS SERVICES AVAILABLE FROM RURAL AND HIGHWAY CONTRACT ROUTE CARRIERS

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

MAILING PACKAGES

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package **MUST** have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

PURCHASING STAMPS BY MAIL

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier. Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.
